Charles Nort Scales the Wall and Drops on the Inside.

Inside.

(Special te The Times-Dispatch)

RALEIGH, N. C., March 16.—Charles
Nort, a negro employed in the Yarborough
Hotel, got on a "glorious jag" last night
and concluded be would go on a little
love-making expedition on the premises
of Shaw University, colored, which has
students of both sexes. The grounds in
the rear are surrounded by very high
walls, and inspired by the expected
chandestine meeting with his girl and the
superabundance of intoxicating spirits, he
scaled the high walls of what he thought
was the University fence, but on dropping to the ground on the other side
he was instantly sobered, not to mention
being frightened out of his wits, by having a bayoneted gun thrust in his face
and being commanded to halt and explain
his presence there at that hour (it was
already past midnight).

It required only a minute for the frightened negro to realize that he had made
the terrible mistake of scaling the stockade of the State penitentiary instead of
the fence of Shaw University grounds,
where perchance even then the object of
his affection was waiting in some nock
for her ill fated lover.

A telephone message to the night clerk
of the hotel verified the story told by
Nort to the guard at the penitentiary,
and after a severe lecture to the effect
that he should be more careful in his
future expeditions, the fellow was turned
loose, and is at his post as usual to-day
in the hotel.

A charter was issued this morning for
the Anglo-Saxon Publishing Company, of
Rockingham, the capital stock being \$10,000
authorized and \$1,500 subscribed. The
incorporators are M. L. Hinson, E. M.
Boggen and L. B. Williams.

Another charter is to the Young Men's
Industrial Company, of Lincolnton. There
is no capital stock, the purposes of the
corporation being for the maintenance of
the industrial interests of the town,
Plans have been perfected for the remodeling of the First Baptist Church, the
purpose being to spend between \$15,000 and
the edifice will be one of the
handsomest in the State. The church is

CONDUCTOR UNDER ARREST FOR ROBBERY

DURHAM, N. C., March 16.—Yard Conductor Glasgow, of the Southern, recently of Durham, but now of Portsmouth, Va., was brought to Durham yesterday by Detective A. J. Ahern, of Atlanta, charged with breaking open a car and stealing twenty-four pints of whiskey.

He was put under bond here of \$500 for his appearance at the next term of Durham Superior Court.

The fact that Conductor Glasgow is now under arrest and charged with a crime that is a felony was a great surprise to the people of Durham, among whom has always had a good reputation.

It is learned that for some time the

It is learned that for some time the Southern road has been checking up short on freight, the shortage being suspected here at Durham.

Efforts were made to apprehend the guilty party, but without success. Finally two coses of whiskey, intended for the dispensary of Henderson, disappeared here, and then the discovery was made.

You Can't Buy Contentment in Car Loads

Contentment is never wholesaled. If you are wise-and fortunate-you may buy enough each day for that day's needs.

It is the Radium of Commodities. You can't hoard it nor hide it away for future use-for every circumstance of daily life turns thief.

No financier will ever "corner the market," however; so that your daily supply will always be available.

Of course, you must know how to go a-marketing for Contentment. It's not sold under that name. Most commonly it is in the guise of a Tee-Dee Want Advertisement.

The little event, or circumstance, which will make a Tee-Dee Want Ad. necessary to your Content to-day may come to pass within the hour-and if it does your antidote for worry is ready for you. And if tomorrow brings another wrinkle-making episode in your daily life, a small Tee-Dee Want advertisement will again straighten out the tangle.
